

World Enduro Championship 2005 2nd race: Fatima / Portugal

9/10 April 2005. Metzeler is leading the Championship in all classes after the second race.

Once more, the Enduro Championship visits Portugal for the second round of this spectacular competition. Clear skies and lots of sunshine greeted thousands of spectators watching all the action.

The Metzeler pilots were managing perfectly the demanding 60 km track. It featured an Xtreme test set in a perfect natural area and a demanding Enduro test plus an exciting cross test complete with several big jumps. Metzeler is proud to dominate all classes and congratulate on all his pilots, who are more than convinced that the switch to Metzeler was the right choice thanks to the superior performance provided by the 6Days.

We are all looking forward to the 3rd race in Tolmezzo/Italy, 7/8 May 2005.

Metzeler takes it all...
